*90 children were late for school this week!*

## School places still available

Foundation 2 staff are currently visiting local nurseries in readiness for our new foundation 2 children's arrival in September. There are still places available for our three classes this coming September.

## Feeling poorly.

Remember if your child has been vomiting or has had diarrhoea that they should not be in school for 48 hours after the sickness. This is to ensure that the virus is not spread to other children. Remember to keep your child hydrated and seek advice from your medical centre.

## Cakes, cakes and more cake.

A special thank you to everyone who has donated cakes for our cake sale in school today, we were inundated with cakes for the sale and the funds raised will be used to develop an outdoor area for our chicks..

## Year 6 Breakfast Club

Year 6 end of key stage 2 SATs testing week starts next week, Year 6 children are invited to have breakfast at school from 8.30am in the School Hall and may enter the school via the Poulton Road entrance.

It is important for all children over the next few weeks to have as much sleep as possible and to arrive in school on time. Children in Years 1 to 6 are being assessed by their class teachers over the next few weeks so we wish to ensure that all children are given the fairest opportunities to do their best.

## Visiting the dentist or doctors?

If your child needs to visit the doctors or dentist we kindly ask that you make any non-emergency appointments outside of the school day to prevent disruptions to their learning. At times it may be difficult for you to arrange appointments outside of the school day in these cases please ensure that your child attends school to be registered in the morning or returned to school as soon as possible after the appointment has taken place.

## Year 6 residential in November 2017

We can now confirm that the residential visit for the current Year 5 children to Boreatton Park will be taking place and their places have now been booked. 50 of the children have now paid their deposits and returned their forms. Anyone still wishing to attend the residential visit must now make contact with Mrs Speight as the deadline for reserving places has now passed.

The second instalment of £25, for those paying in instalments is due in before Friday 9<sup>th</sup> June.
