### Late Gates

**The Education Social Worker is now carrying out spot checks on lateness, be on time!**

### Dropping children off in the morning.

Please remember to drive carefully especially when near to the school. Ideally drop your child off and see them to the entrance of the school gates to ensure that they enter the school playground safely.

If you are using the breakfast club please ensure that your child is seen into the breakfast club by an adult and do not leave them to enter the school building on their own.

The school office is not manned in the morning until after 8.30am and you cannot guarantee that your child has entered breakfast club unless you see them into their building. Children entering the building without an adult are unsupervised and as such could leave the school building. Please ensure your child's safety by bringing handing them over to staff in the breakfast club.

## School Uniform

On Tuesday 4<sup>th</sup> July at 2.30pm, we will be holding a half price uniform sale of old stock from the school office. There are plenty of jumpers left but only limited stock of other items including non-marking pumps. A list of stock and prices will be displayed in the main foyer.

School uniform from now on may be purchased from the following shops:

- Argyle Sports & Work Wear on King Street near to Wallasey Town Hall.
- The Uniform Shop on Manor Road
- Wirral Uniform Centre in the Pyramids shopping centre in Birkenhead
- And Tesco on-line via our school website.

Argyle Sports and work wear will also print the logo for the school onto jumpers bought from other stores as well as label pupil names onto the inside of jumpers if needed.

Guidelines for our school uniform and what needs to be worn can be found on the school website. Ties and shirts are to be worn by children from Year 3 upwards only. This makes it easier for the younger children when getting changed for PE who wear polo shirts instead.

### Well done to our sports teams.

Well done to our Year 6 Cricket teams who competed in the regional tournament and one team has been successful to compete in the Wirral finals on Monday next week. Well done to all our crisketers.

Our polybat team participated in the Polybat games at Greenbank Academy, well done to the team who gave a lot of effort during the event.
