## Supporting Bright Star School in Gambia.

Next week the children will be hearing in assembly how they may help a school in Gambia. As we come to the end of our school year, our children may be thinking about disposing of their old pencil cases and renewing their own pencils and pens over the summer. We are asking the children at Somerville not to throw away any of these old pencil cases and to help Bright Stars School. We are hoping to give every child a pencil case containing a pen, rubber, pencil, pencil sharpener and 6 inch ruler. So anything you may be thinking of throwing out would be a big help.

## Cake sale.

A special thank you to everyone who supported the Year 6 cake sale. A massive £290 was raised which was fantastic especially the number of cakes which were donated by children across the school. Thank you everyone for helping and raising these funds.

## Library Challenge.

Children will be informed on Monday and Tuesday during their assemblies about the library challenge which will be running at our local libraries during the Summer Holidays. Remember to visit the library during the break to complete the challenge with your child. Our nearest library is Seacombe Library.
