Be on time, be in line for 5 to 9!

Staff car park.

Please remember the staff and hall car parks are for use by staff only, any adults seen in the staff car park who are not staff will be asked to leave immediately for safeguarding reasons.

Help us to keep your children safe!

Non uniform day.

A huge thank you on behalf of Lucy Moroney's family for your support today in sending in your donations with your child. We have raised in excess of £500

Fruit berry and nut allergies.

Please be mindful when making your child's packed lunch that there are a number of adults and children in school who have allergies to fruit berries and nuts. We understand that this reduces the number of healthy options you can send into school for your child's lunch. However, all we ask is if you can bear this in mind where possible to reduce the risk as much as possible.

Parents and carers evening

Monday 16th October Holly and Cherry class due to staff training. Tuesday 17th and 18th October all other classes. Make sure you book in online, otherwise you can book in using the letter sent home or in the case of Foundation 2; you can place your name on the posters on the windows of your child's classroom. If you need to you can give school a call and one of the foundation 2 staff will place your name on the poster for you. A fantastic 211 out of 380 families have now given the school their email address by clicking on the school website. Any email address sent to us in the last few days will be updated very soon and login details will be sent out, keep an eye on your emails.

School photographs!

We hope you like the photos which have come home recently. If you would like to order your child's photograph please send in the cheque/cash and paperwork by Thursday 19th October.

If your child has not had their photograph taken due to being absent on Wednesday, they will have another opportunity to have their photo taken on Wednesday 18th October between 3.30pm and 6.00pm. There is also an opportunity to have family photos taken on this evening.

Facebook

Please remember to follow us on Facebook or Twitter. We have found both of these social media applications a very positive way of communicating with our parents and carers recently. We will continue to review this over time to ensure this remains positive for both parents and school.

If you do not wish your child's photograph to be published on media such as this or our school website please let the class teacher know as soon as possible to prevent your child's photo being uploaded by mistake.
