## OFSTED report.

We have now received the OSFTED letter in response to our recent inspection at the end of October. The inspection confirms that Somerville Primary School continues to be a Good school as judged by OFSTED.

The report has been uploaded onto the school website. If you click on the parents part of the website and click on OFSTED REPORTS you will be able to download a copy.

The report is really positive and states that the good quality of education has been maintained since the last inspection. The school is an inclusive and caring place. The school's motto, 'Aiming high together', threads through everything.

Commenting that pupils behave very well and that they are both polite and respectful.

**Please have a read of the report, we are so proud of our school and we are glad that you have chosen to be a part of it.**
