Applying for a place for your child?

If you are applying for a place for your child or you know someone who wants a place at Somerville Primary School for September 2018 please make an online application as soon as possible. All applications need to be completed by **15th January 2018**. If you apply after this date your child is not considered until all other children in Wirral have been given a place into a Wirral School.

Please visit our school website or Facebook page for more details. Parents > Admissions.

Due to the popularity of the school we have increased our numbers. We have 90 places available for September 2018 - Don't miss out! In 2016 all places were filled and a waiting list was in place.

Make sure you get your application completed before 15th January 2018.

Need help? Pop into the school office and we will help you complete the form online.

ParentPay

Don't forget to set yourself up on ParentPay over the Christmas break. ParentPay will initially only be used for school meals (payment for trips and other paid activities will be included in the future). Remember only one log in is required per family regardless of how many children are at Somerville.

Breakfast Club

Thank you for your responses so far. This has proved popular and we will be sharing more information with parents after the Christmas break. There is still time to complete the online form. Please see the website.

Times table rockstars.

Please remember children to login over the Christmas break to keep up with the improvements you have made so far. This online software has very successfully boosted times tables recall speed for hundreds of thousands of children throughout the World. Improve your child's recall times table speed.

Thank you so much!

Your kind donations at the end of each performance have been gratefully appreciated and have helped towards the Christmas activities and parties. We hope you have enjoyed each performance as much as we have enjoyed sharing them with you.
