Executive Headteacher – Mr M J Forber

26th January 2018

Core Subject (English and Maths) Lessons

Dear Parents and Carers of year 6 children,

Staff have been looking at ways to best to support the children over the coming months as they prepare for their end of key stage assessments in May 2018. To support the children in their learning groupings have been arranged to allow for the children to be taught in groups which are smaller in size so that lessons can be focused on particular aspects for each group.

Due to the funding of staff by the governing body we are fortunate this year to have smaller numbers of children spread across more classes to enable this to happen. The children have started to work in these smaller groups this week and we trust that they will benefit greatly from these new groups over the coming weeks.

If you have any questions regarding the groupings or how you can support your child further in readiness for their end of key stage assessments, please speak to your child's class teacher.

Best regards

Mr M J Forber

Executive Headteacher
