## WALK TO SCHOOL WEEK SUCCESS

We have now gathered all the statistics for Walk to School Week and wanted to share with you how successful this initiative has been.

YEAR GROUP	Walking Before Walk to School Week	Walking After Walk to School Week
Foundation 2	52%	84%
Year 1	45%	76%
Year 2	54%	80%
Years 3 & 4	64%	76%
Years 5 & 6	73%	82%

Not only did children walk but they also came to school on their bikes and scooters. Children have told teachers how much they enjoyed walking in the fresh air before school. The children had more exercise over the course of the week and it made the roads around school **MUCH SAFER**. Thank you all for your support over the week. Hopefully, more families will choose to continue to walk to school. We will survey the children again towards the end of term. Thank you to Mrs Evans and Mrs Renshaw for organising and promoting this event.

## SPORT ACTIVITY SESSIONS

The children will be participating in summer sporting events in the next few weeks. Weather permitting children will hopefully be making use of the field adjacent to Somerville Nursery School. These sporting activity sessions are children only events to ensure that they can make full use of the space available on the field whilst ensuring all risks have been assessed. Children need to remember to bring their water bottles, PE kits and sun lotion to school on their respective day. Separate letters will be sent out as reminders for both year groups.

## FOUNDATION FUN - NEW INTAKE

We have had our first session of Foundation Fun for our new Foundation 2 children who will be arriving at Somerville Primary School in September 2018. If you missed this first session don't worry and please try your best to come along to the next session, which takes place on Wednesday morning from 9.00am until 10.30am. The session is a stay and play session and gives you a chance to meet and chat to all of the adults within the Foundation 2 team. Enter the school hall from the Poulton Road entrance.

We look forward to welcoming the parents to their induction meeting to share important information on Wednesday 27th June at 5.00pm.

## THE SUMMER SIZZLER

We are excited to have our own dance troop performing at the 'Weatherhead Summer Sizzler' next Wednesday evening. The troop have been practicing after school, each week, with professional dance teachers. They are excited to perform on stage, with an audience to appreciate their work. This is very much a celebratory event within a community of Wallasey schools. Liscard Primary School, Greenleas Primary School, the Inclusion Dance company, Weatherhead School choirs and The Musical Theatre Company and Dancers will also perform on the evening.

We are sure this will be a lovely evening to attend. Tickets are available from Weatherhead at £1 for adults and 50p for concessions.
