POPPY APPEAL

As a school we proudly support the poppy appeal each year. This year, as well as selling the usual poppies, we are now selling small stationary items such as pencils, rubbers etc. These items are on sale starting at 50p. Children can purchase these from the school office.

On the week beginning Monday 12th November every class in school will be learning, in an age appropriate, sensitive manner, about World War 1. All children will get to create a piece of artwork that will come together in a large display in the school hall and classrooms. Year 4 children will be making sculptures, supported by a very talented artist who will be working at school over two days during the week.

SCHOOL PHOTO CATCH UP DAY

If you missed your school photo day the photographer is in school again on Thursday 29th November.

SCHOOL SPIDER - SCHOOL WEBSITE

The school website is full of useful information and is kept up to date.

Text messages to parents and carers are sent via our School Spider website and APP. We would like all families to have access to this and to be able to receive our text messages. This is useful when trips are late back as we can not physically phone seventy families, if there are school day changes such as snow days, heating failures etc. again we can not phone every family or answer hundreds of telephone calls.

If you do not yet have access please send the school office an e-mail and they will set you up within a few days.

PGL

Next week our Year 6 pupils will be off on their annual residential to PGL in Shropshire. Photographs of what they get up to will be posted on our Facebook page and website. We hope they have a FABULOUS time!
