

Dear Parents and Carers,

You may have heard the exciting news that the **OVO Energy Cycle Tour of Britain will be coming to Wallasey on Wednesday 11th September 2019!**

There will therefore obviously be road closures on Wednesday 11th September for you to consider when picking up children from Somerville Nursery and Primary Schools.

Please make every effort to give yourselves extra time when collecting children from school on Wednesday 11th September. The OVO Energy Cycling Tour of Britain will be passing Wheatland Lane (St Josephs School), Tesco Express and Liscard Road (Egremont Primary School) between 2.20pm and 3.30pm but we have been told that this may be at approximately **3.05pm**.

There will be a rolling road block on these roads for 15 minutes before the cyclists arrive and for 45 minutes after. **Please ensure you give yourself extra time in collecting your child on Wednesday.**

These road closures will affect traffic on Poulton Road and all neighbouring roads as all junctions will also be closed for a short time whilst the cycle race passes. It may be in your interest to collect your children on foot rather than using the roads at this time or give yourself more time than usual.

Somerville Nursery and Primary Schools will remain open as normal on this day as we understand that it may prove difficult for parents and carers to arrange childcare at such short notice, even if we were to close the school for just the afternoon. Both schools will close at their normal closing times.

However we also understand that some parents, carers and children may wish to support this event. If you wish to collect your child early to support this event then you must firstly complete points A and B on the slip below, returning it to school by the **morning of Tuesday 10th September at the very latest**. Collection of children to support this event (*for all slips returned to school on time*) will be available only from 1.30pm and 1.45pm. If you do not return a slip on time your child will not be ready for collection and it will be assumed that you will be collecting your child at the end of the school day as normal.

Yours Sincerely,

Mr M J Forber
Executive Headteacher

Wednesday 11th September 2019

OVO Energy Tour of Britain

I will be collecting the following children after **afternoon registration** from Somerville Primary School at 1.30pm to support the cycle tour. I understand that the deadline for collection is 1.45pm. Complete **A & B**

++Ideally use one letter for each child if possible this will help the class teachers to have their own copy of the letter++

A. Name of child Class name.....

++Use one letter per child. Only write more children below if you only have access to one letter++

Name of child Class name.....

Name of child Class name.....

B. Signed Parent/Carer's name
