

# Home Learning Week 11

This week's activities will be based on the story 'Hairy Maclary from Donaldson's Dairy' by Lynley Dodd

## Watch and listen

If you have a copy of this lovely book, share it with your child. Encourage your child to enjoy and identify the rhyming words in the text. If you don't have a copy of the book, you can access a reading of the story here:

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/hairy-maclary/>

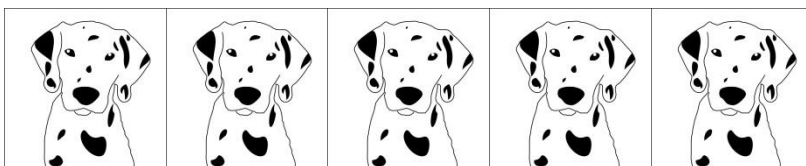

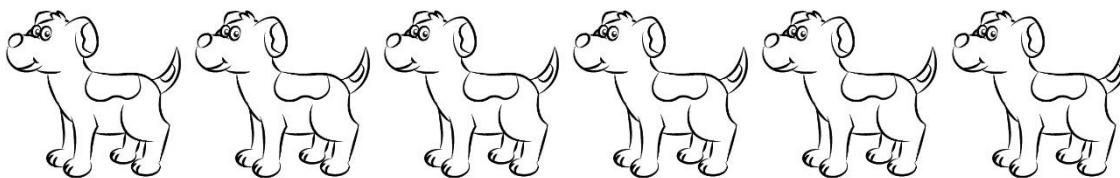

## Drawing and discussion

Look at the pictures of the different animals in the book. Which is your favourite? What do you like about that animal? E.g. colour, size, name etc. If you have a pet, are there similarities with your dog / cat? Now gather together some pencils / crayons and paper and each draw your favourite dog / cat. When you've finished swap your pictures – what do you like about the drawing you are looking at? Find a special place to display your work.

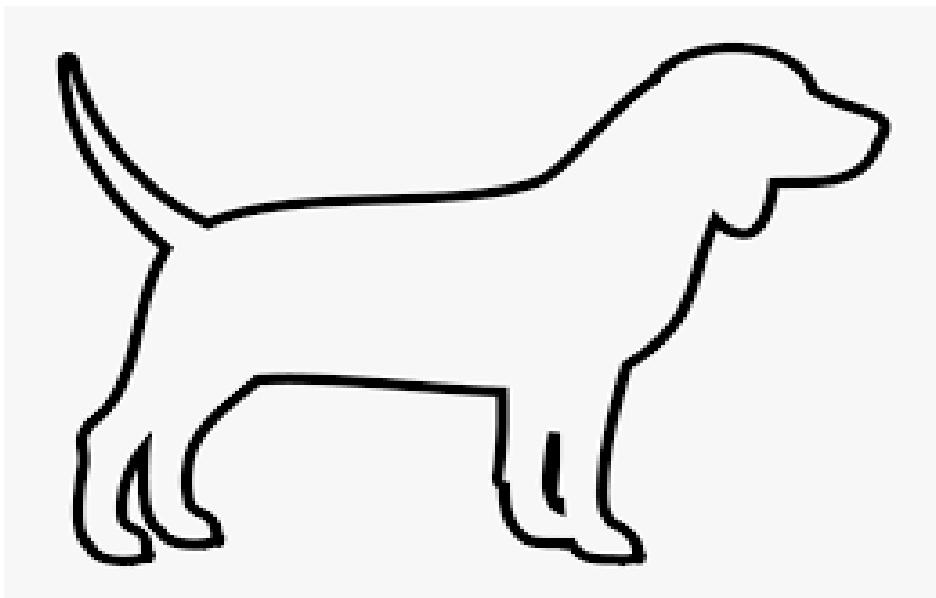

## Numbers and Counting

Count how many dogs there are in each line below. Make sure you point to each dog and say a number as you touch each one. Write the number in the box at the end (parents can help if needed)

Look at this picture of a dog. Can you make it a spotty dog? Draw 10 spots on the dog – don't forget to count as you go!

## Hey Diddle Diddle

Hey diddle diddle, the cat and the fiddle,  
The cow jumped over the moon.  
The little dog laughed to see such fun,  
And the dish ran away with the spoon!

### Rhyme time

Have fun learning this nursery rhyme. Follow this link to see Mr Tumble perform the rhyme and see if you can learn the Makaton signs to go with the rhyme!
